Totally Joe is about a boy with an incredibly accepting group of friends, a family that loves him unconditionally, and an aunt who help him come out in his own good time. The book is a delight; a blast, a visit to a slightly different planet where being queer isn't easy, but it isn't dangerous and the hardest part is figuring out how to find your way -- pretty much like any other adolescent.

~~Amazon.com: Totally Joe (The Misfits) (9780689829580 ...~~

Joe is a quirky, very gay preteen boy at a small high school in upstate New York. He's been given an assignment from his English teacher to write an "alpha-biography" detailing his life from A-Z.

~~Totally Joe (The Misfits, #2) by James Howe~~

The Misfits, published in 2001, inspired the antibullying initiative No Name-Calling Week, as well as three sequels, Totally Joe, Addie on the Inside, and Also Known as Elvis. A common theme in James Howe's books from preschool through teens is the acceptance of difference and being true to oneself. Visit him online at JamesHowe.com.

~~Totally Joe by James Howe, Paperback | Barnes & Noble®~~

But perhaps what is most striking about Totally Joe is not the stand-out hair, apparel and attitude of its flamboyant protagonist but the poignant similarities between his experience and that of all young teens as they strive to be true to themselves in a junior high world where following the crowd-and not one's own heart-often seems to be the easiest and least painful path.

~~Totally Joe by James Howe - Books on Google Play~~

James Howe's novel is one of few that speaks to what it is like to be a gay preteen. It is refreshing, enlightening and very real. Joe has known he was gay for a while and, fortunately, his family is excepting of who he is unconditionally. Joe also has a community of supportive friends who help him stay true to himself and others.

~~TOTALLY JOE | Kirkus Reviews~~

Totally Joe is one of those books that's incredibly fun to read. One can zip right through (I read it in a day) and still savor the details as he goes. Joe's story comes across as a mixed bag of reality and fantasy, but it's written to be an uplifting and encouraging book for gay kids who're struggling with themselves.

~~I'm Here. I'm Queer. What the Hell do I read?: Totally Joe~~

This sloppy-Joe-style cheeseburger became famous on Reddit after a Redditor shared a 1970s cheeseburger recipe. Use the burger recipe to make it at home.
