But the truth is God created our emotions, and He doesn't intend for us to pretend everything is okay! He knows everything you are facing right now, each little detail (Psalm 56:8). The good, the bad, and the ugly. We don't have to hide our disappointment and pain from Him. He calls us to come to Him and find rest and peace (Matthew 11:28).

Every man faces struggles, but few talk about it, especially with their sons. Afraid to appear weak or vulnerable, fathers tend to keep their fears and uncertainties bottled up inside while projecting an image of strength and resilience. Meanwhile, they secretly self-medicate in all sorts of ways— alcohol, food, affairs, and gambling—with many of them inadvertently blowing up their marriage, their family, and even their career in the process. At a certain point, every father who is living such a life needs to ask himself a key question: what sort of legacy is this emotionally stunted approach to life leaving for his son? If fathers don't teach their sons how to deal with their feelings, who will? And if fathers don't take the time required to find emotional healing and positive coping skills for themselves, how can they help their boys when trouble strikes? Jeff Johnson found himself in exactly this situation when he was in his early forties. The president of a thriving family-owned company, by all outward appearances, he was a success. But inside, he was dying due to issues with depression, anxiety and ruminating. Jeff found himself unable to express how he was feeling, choosing to self-medicate, be dishonest, shut down and being unavailable emotionally. Sensing things were reaching a breaking point, he finally found the courage to come clean about what was going on. The result was a watershed of healing, forgiveness, and hope as he worked through his depression and dealt with his grief over how his hidden emotional struggles impacted his relationships with his wife and children. This book is the result of Jeff's healing process. Though he doesn't claim to be an expert, he offers his story and what he's learned along the way to encourage and equip other fathers to deal with their emotional struggles in a positive way. Most importantly, he encourages fathers to share their story—their entire story, the good, the bad, and the ugly—with their sons to reassure them that it's okay to admit they're struggling. In fact, the worst thing they can do is try to hide it.

On September 15, 2016, after playing soccer in the rain with his school-aged children, 45-year-old Tim Peterson left the park in his truck with his baby boy, followed by his middle children and wife behind. His last words to Nicki were "Follow me. I don't know where I'm going." Moments later at County Road 11 and Evergreen in Burnsville, Minnesota, their lives changed forever. Henry Hofstadter doesn't date. When he needs to get laid, he drives out of town, does the deed, and goes home. Maybe ten years ago he'd've mocked a guy who preferred canine company to another man's, but these days his mutt Coco is his best friend and the highlight of his week is hanging out with his nephew. He doesn't believe in happy endings. And no fairy tale ever began Once upon a time, an arrogant jackass blew me in the storeroom of a lousy club. Math McKinney's got a lot on his mind. He used to be a charming guy with a little bit of substance; these days he feels more like the guy still standing when everything around him is a smoking ruin. His ex is out of the country for the next year, his daughter thinks she's his son, and his co-chair on the Committee for the Preservation of Community apparently hates him for, let's be clear, no apparent reason. (Because that BJ was magnificent. MAGNIFICENT.) Neither of them is looking for a boyfriend. Hell, neither of them is even looking for a one night stand. Yet somehow they keep ending up together and dammed if it doesn't seem like that's a sign. Except...fairy tales are for children. Aren't they?

Even Flow is an action-packed novel, cinematic, funny, and provocative. It is a fable wrapped inside a thriller, Germaine Greer crossed with Kurt Cobain crossed with Dirty Harry and he is just the first. The 3W Gang are regular guys. They believe society needs balance enforced karma through selective, brutal punishment of misogynists and homophobes. Wilde, Waters, and Whitman are inspired by revolutionaries and feminists, art and irony. They are the grunge vibe made flesh and made angry: cool, witty, sexy and dangerous. Hunting them is a gay detective, determined to see justice done but getting more morally ambivalent as he s drawn into their world. It is time for an Even Flow.
