Meteorology In America 1800 1870 Free - e13components.com

Between 1800 and 1870 meteorology emerged as both a legitimate science and a government service in America. Challenging the widely held assumption that meteorologists were mere "data-gatherers" and that U.S. scientists were inferior to their European counterparts, James Rodger Fleming shows how the 1840s debate over the nature and causes of storms led to a "meteorological crusade" that would ...
